Notice of Non-Renewal – Flock Safety Agreement

July 23, 2026

The Clearwater County Sheriff's Office hereby provides formal notice of our intent not to renew and to terminate our agreement for the Flock Safety camera system, effective **September 22, 2026**, in accordance with the terms and conditions of our contract governing non-renewal and/or termination for convenience.

After evaluating the program during its implementation, we have determined that it does not meet the operational needs and priorities of our agency to justify its continued cost. As a result, we have elected to discontinue participation in the program.

Please consider this correspondence our official notice and begin coordinating with our office regarding the required deactivation, removal of equipment, return of any leased property if applicable, and any other contractual close-out requirements. We ask that you provide a point of contact and an anticipated timeline to ensure an orderly transition prior to the contract end date.

We appreciate the professionalism of your staff throughout our relationship and thank Flock Safety for the opportunity to evaluate the system.

Please direct all correspondence regarding this matter to:
